

Our bodies ARE energy and every day we are bombarded by internal and external stressors to that energy system from toxins, chemicals, EMF radiation, stress, physical trauma, emotional trauma and more.

When your body's energy flow is drained, blocked, imbalanced or interrupted, you may feel discomfort, fatigue and other symptoms. When your body's energy, frequencies and vibrations are recharged, balanced and optimized, you naturally feel healthy and energetic.

Nature's Frequencies Energetic Health & Wellness Technology products are designed to recharge, balance and restore your body's natural energy flow to help your body achieve optimal health and wellness naturally and energetically.

When you place the products on your body, or in your energy field, your body absorbs the beneficial frequencies it needs, in the amount it needs, when it needs them, to help you achieve and maintain optimal health, energy and vitality!

# Nature's Frequencies EMF Shield

Every day the human body is exposed to EMF-emitting devices such as cell phones, microwaves, computers, laptops, tablets, routers, gaming consoles, smart TVs, smart meters, radios and any electronic device that sends and receives data.

As technology rapidly evolves, so do the levels of EMF intensity and exposure. The EMF Shield is designed to assist the body in offsetting the negative effects of EMF exposure from non-ionizing electromagnetic radiation.

## Instructions For Use

Peel and stick one EMF Shield on any EMF-emitting device. For best results, place a Shield on the back of each cell phone or cell phone case.

The EMF Shield is designed to remain effective for one year, as long as the Shield remains intact.

Replace after Shield shows signs of deterioration.
